All incidents or allegations of bullying are investigated separately by the Principal/Class Teacher and documented.

MONITORING, EVALUATION AND REPORTING REQUIREMENT

The Anti-bullying Plan will be reviewed annually, so that all members of the school community are aware of and remain committed to it. The Plan should reflect the current teaching and learning practices at the school. The review will provide opportunities for reflection and renewal.

Strategies to review the school Anti-bullying Plan include:

- Gathering and analysing all relevant information on the nature and extent of bullying, harassment and victimisation, including data that highlights patterns and trends, such as student / teacher / parent / caregiver surveys, wellbeing records, reflection sheets, suspension data and student wellbeing discussions both formal (eg staff meetings) and informal
- Evaluating the extent to which the school’s Anti-bullying Plan has been effective in addressing bullying, harassment and victimisation and promoting a safe and secure environment.

Orama Public School will develop and implement a revised Plan, if necessary, following a review.

Orama Public School will continue to monitor and evaluate the implementation of the Anti-bullying Plan on an annual basis.
