Term 4, Week 7 Monday November 26th, 2018

Orama Public School motivates our students to be confident and creative individuals.

Taronga Zoo Visits

Jerry from the Office of Environment and Heritage and a team from Taronga Zoo visited last week to conduct their biannual turtle survey of the river. It was another wonderful chance for our students to watch scientists conduct their work in the field. The team also found a Bellinger River Snapping Turtle whilst we were there and the students were able to ask questions from the experts. This was another chance for us to learn from experts and celebrate the wonderful environment that we get to learn in.

Intensive Swimming Program

You would have received the permission note and information about the Intensive Swimming Program last week. As swimming is a curriculum requirement, all students are expected to attend. I ask that you complete the permission note and return it with the \$40 as soon as possible. This program has been heavily subsidised by the P&C to make it as affordable as possible. If these funds are difficult to find at the moment, please contact me. These permission note and money is due **today**.

Daniel and Braeden

Daniel Sangster and Braeden O'Brien are completing their second practicum with University of Newcastle. Both teachers are fully immersing themselves in our school culture.

Have a wonderful, rewarding week,

Katharine

Katharine Sutherland, Principal
