Term 4, Week 9 Monday December 10th, 2018

Orama Public School celebrates our successes and looks forward to the future.

Intensive Swimming Program

What brilliant mornings at the Bellingen Pool! Students have been assessed and placed into groups based on their stroke style and confidence in the water. You will be amazed at just how much improvement will be made for your children over these 10 days.

Planning for 2019

Plans for 2019 are already progressing well. Based on our 2019 anticipated numbers we will not be department funded for two classes but we have made the decision to locally fund the two classes. This will ensure small classes with high quality teachers and support staff. Funds are also being prioritised for high quality Professional Learning experiences for staff. This will mean research and success-driven approaches will

continue to be a part of what we do at Orama Public School.

To help us continue to refine our practices, especially when working with parents and the community, we have developed a simple survey which was attached to last week's newsletter. We ask if you could complete the survey and return it to school as soon as possible. The survey can also be found on our Facebook page.

Presentation Evening

Tuesday December 18th is the date set for our presentation evening. We will be presenting two items of entertainment, student awards, recognition of our 2018 student leaders and the induction of our 2019 student leaders. It will be a lovely opportunity to celebrate the success that Orama Public School has had over 2018. We will finish the evening with a light supper. We ask that every family brings a dish to share.

Have a wonderful, rewarding week,

Katharine

Katharine Sutherland, Principal

Have you returned your
Parent Survey yet?
You can find it on our
Facebook page
