Term 4, Week 1 Monday October 14th, 2019

Orama Public School is inclusive, flexible and reflective of all our policies and practices.

Term 4 is ready to launch!

Thankfully students and staff appear to be recovered from the various ailments that were causing us so many absences at the end of last term. Term 4 is shaping up to be a cracker! Orientations for our own school and Bellingen High School, the Sydney Excursion, Swim Scheme and Life Education, just to name a few. Please keep an eye out for any notes and reminders. I will create a list in the newsletter for notes that are currently due, this may help manage this busy time.

Planned Maintenance

During the holiday period a new back fence was installed and the majority of the large painting was completed. The painters are still on site and will be for a little longer. The recent rain and less foot traffic has given the playground a rest. Many thanks to our GA, Nathan for maintaining our wonderful surroundings.

Tell Them From Me Surveys

The parent and community survey is now live. You can access it at

<http://nsw.tellthemfromme.com/hh87y>

The same security and privacy details that apply to the student surveys also applies to the parent and community survey. The survey will be open for four school weeks.

Sydney Notes and Payment

We received notification from NSW Transport that our return trip will now be via a bus, rather than the train. This now means that the return meal order you completed at the end of last term is now not valid. The bus will stop at some point during the journey for lunch/dinner. You should have seen the revised cost note. The revised costs are below.

- Sydney excursion. October 28th – November 1st @Total cost \$464 minus \$200 (\$50 deposit and \$150 donation from P&C) = **\$264**

Payment is due by this Friday October 18th

If you are experiencing difficulty in paying for any school expenses, please do not hesitate to contact me.
