## Newsletter Distribution

Let us know of our current newsletter distribution methods (emailing the link or using Facebook) isn't working for you or your family. We are happy to print you a copy of the newsletter if that is your preferred way of staying informed!

## Head Lice

These pests are back again! Some parents have suggested if we are all vigilant by doing a weekly treatment it may break the cycle. Personally, I prefer the conditioner smothering treatment. For more information visit

## P&C Meeting

Please consider joining the P&C. 100% of the funds raised by the P&C go into supporting all of

**This fortnight’s school value:**

In 2017 our students came together to discuss characteristics and values that they feel are important at Orama Public School. The student lead values are:

- Respect
- Responsibility
- Honesty
- Creativity
- Diversity
- Effort

We would like to create a focus of these values each fortnight and we will include little elements of these values in our weekly newsletter.
