Term 3, Week 2 Monday July 29th, 2019

Orama Public School students can articulate the school's values and define characteristics of these values.

District Athletics

Good luck to our representatives at District Athletics on Friday. The opportunity to represent our school but also the small schools in the area is very honourable. We are proud of the efforts of the students to have competed at a level that warrants their inclusion.

Education Week

The students are very busy putting the finishing touches on their dance for Education Week. The chance to perform it is at Bellingen High School on August 7th at 5pm. The students will attend Bellingen High for most of the day on August 7th for rehearsals. At the actual performance on the night, each school in the Bellingen-Dorrigo Learning Community will perform and there are also two combined performances. We are excited to show off our dance moves! A huge thank you must go to Tehani Vicaro for her efforts in choreographing and teaching our dance.

Students need a black shirt/t-shirt and black pants/tights for costuming. Please label

them with your child's name and put them in a plastic bag. The school has purchased all other costuming.

Parent and Community Workshops

Friday August 23rd will be our first parent workshop of the year. It will be on assisting your child with their reading and writing. It will mostly be geared towards the early years but any parent

or community member is welcome to attend. If you are interested or you would like to know more, drop us a line.

External Validation

Yes! The submission is complete! We now await our panel visit in week 4. This process has been rewarding, affirming and it has given us wonderful strength as we move forward to deeper practices in the future.

Camp Creative

Camp Creative Scholarships are open. If your child will like the opportunity to be involved in a week long creative extravaganza, let us know as they may qualify for a scholarship. The scholarships close on August 23rd.

Home Readers, sounds and sight word practise

LS1 students will begin to bring home readers, sounds and sight words to review. This will help cement some of the basics of early literacy before we move on. Please don't feel the parent pressure that can come from 'homework'. If you have any questions, feel free to ask Katie or myself.

Have a wonderful week!
