Term 4, Week 8 Monday December 2nd, 2019

Orama Public School has dedicated and enthusiastic students

Life Education

We were so fortunate to have our Life Education program today. LS1 students participated in "Safety Rules" which was about looking after each other and safe and unsafe environments. LS2 students participated in "Bcyberwise" which was about ethical and positive behaviour when online. This generated a lot of conversation from the students about the online presence that they are already creating for themselves. Conversations with your children about their social media use would be a great idea.

Bellingen HS Orientation Day for Year 6

Feedback from Bellingen High School on the enthusiasm and participation rates of our year 6 students at the recent Orientation events was outstanding. The High School has their Parent BBQ and tour at 6pm.

Student behaviour on buses and at school

At the end of a long year, students do tend to expect less of themselves and their behaviour. This is then also when students become less tolerant of others. We will continue to have high expectations of our students at all times, this includes on the school bus. We thank you for always being supportive of our policies and practices. We will continue to have business as usual (structured lessons) at the school up until the last day.

Have an amazing week,

Katharine
