Term 1, Week 1 Wednesday, January 29th, 2020

Orama Public School is a flexible, challenging and engaging space to learn in.

Welcome

What an amazing start we have had! The students all look stunning in their uniforms and they have all grown so much! Their stories of events in the holidays sounds amazing. We are so glad to hear that everyone had a lovely break.

The activities this week will include goal setting, setting expectations and establishing routines for the year.

Student equipment

Thank you to families who have already supplied the requested equipment. These materials include:

- grey lead pencils
- red, blue and black pens (Learning Space Two only)
- basic coloured pencils
- glue stick
- eraser
- pencil case to hold it all in
- headphones.

Please don't overdo the supplies as students will need to store, organise and replace their own equipment. Each student will store their

equipment in their individual tote trays with workbooks etc. Please label all equipment. Students also received a new school hat today. Any additional hats, misplaced or mis-used hats will need to be bought by parents.

Staff

Our staff are highly qualified, experts and experienced. Their passions are varied yet they have one in common- high quality outcomes for students.
