Term 1, Week 5 Monday February 24th, 2020

Orama Public School uses its beautiful surroundings as an integral part of student learning to provide a range of unique benefits.

District Swimming Carnival

Congratulations to Mitchel and Abbey who represented the school at the district swimming carnival on Thursday in Macksville. Both students swam in the 50m freestyle heats but narrowly missed the qualifying time for the finals. Well done Mitchel and Abbey!

Staff Professional Development

Staff are busily creating their annual Professional Development Plans. These plans enable staff to direct their energies into their own learning that will have a direct impact on their students. Our staff create innovative plans that always have positive results for your students.

Music Tuition in 2020

Rosie Stephen (Brass and Violin) and Bill Hart (Clarinet and Saxophone) are available for music lessons. Parents are responsible for the arrangement and payment of the lessons and the tutors are as flexible as possible. If the demand for lessons is strong enough, the lessons may occur during school hours at Orama Public. Rosie can be contacted on 0402 653 633 and Bill can be contacted on 0474 651 953.

I have details for Piano and Guitar tutors and I will contact them during the week to enquire about their availability.

School Uniform

The students look great in their uniform! The uniform gives us a sense of belonging and a chance to call this our school. We don't mind giving the students a spare shirt if they arrive without theirs. If the shirt does come home by

mistake, just send it back the next day so we can wash it for the next student.

State Library visit- Repton Public School

Your child has brought home a note for the State Library Visit at Repton Public School on Thursday March 5th. The whole school will be attending. We are trialling a different approach to transport. Please read the section on the note that is in the blue box. If there is some confusion, please contact us.

Parental Transport

We cannot offer our students the array of extra curricula activities without the support of parents for transport. If you are a parent who will transport your child and others to various activities, could you drop in so we can get copies of your licence, car registration and comprehensive third-party insurance. This is to ensure Work, Health and Safety guidelines are met by the school.

Have a most fulfilling week,

Katharine Sutherland, Principal

P&C Meeting
This Thursday 2.30pm
