Term 1, Week 10 Monday March 30<sup>th</sup>, 2020

## Orama Public School is surrounded by a supportive and engaging community.

### Our Resilience Shines

Katie, Leah, Benn, Robyn, Melissa, Nathan and I thank you all for your support over the last week. It has been a strange existence but the professionalism of all our staff has been outstanding. All staff have completed training out of hours so they can create learning experiences for students that help to continue the learning journey. Thank you for being patient with us in this new environment. We have plans to expand our reach but we're going to take our time so that we can truly know systems and possible hiccups that we and you may face. Please keep an eye on emails and Facebook for updates.

Resilience is shining through the students and homes and we thank you all for this. It is a new step for us all and if there is any way we can make this easier for you, please let us know. We are currently undertaking an audit of our

available laptops so if a LS2 student needs one, please let us know. I also know that data can be a huge factor and I am looking into options for accessing data. Those LS2 students who cannot access the Google

classroom suite, we have printed copies of work here at school. LS1 students will continue to get printed copies of their booklet. We will also continue to email them.

I have also placed an envelope in the courier's cupboard at Thora Store where you can access the booklets. New copies will be placed there every Monday afternoon. At the end of each week if you can return the booklets for marking.

Continue to engage with <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-from-home> where regular updates are also placed.

Please also send us photos of your children busily learning- in any type of learning!

How long will this last?  
 We don't know either!  
 However what we are sure about it is vitally important to limit any unnecessary travel and any unnecessary contact with others.  
 Staff will still be at school so we are contactable during school hours.

Have a safe and reassuring week,

*Katharine*

Katharine Sutherland, Principal

This fortnight's school value: **DIVERSITY**
