Term 1, Week 6 Monday March 2<sup>nd</sup>, 2020

Our educational experiences and opportunities engage and motivate all students to become successful learners.

### NRL Gala Day

We have a group of students representing us at the NRL Gala Day on Wednesday. Mr Luke Stanley from Repton Public School will supervise the students.

### State Library visit- Repton Public School

On Thursday we will travel to Repton Public School to participate in small school activities (LS1) and participate in a visit from the State Library (LS2). We are trialling a different approach to transport. Please read the section on the note that is in the blue box on the permission note. If there is some confusion, please contact us. **These permission notes are now overdue. Lunch orders can no longer be made.**

### Student Goal Setting

Students will soon begin setting their goals for 2020. This is always a rewarding experience for all students and staff. Some students will be able to reflect on their 2019 goals and modify or adapt them. Have a chat with your child at home about their goals and what they are expecting from themselves during the year.

An idea is just a  
*dream*  
until you write  
it down  
*then it's a goal*

### Music Tuition in 2020

Rosie Stephen (Brass and Violin) and Bill Hart (Clarinet and Saxophone) are available for music

lessons. Parents are responsible for the arrangement and payment of the lessons and the tutors are as flexible as possible. If the demand for lessons is strong enough, the lessons may occur during school hours at Orama Public. Rosie can be contacted on 0402 653 633 and Bill can be contacted on 0474 651 953. Get in quick before the tutor's availability is filled.

I will share the details of piano and guitar tutors soon.

### Parental Transport

We cannot offer our students the array of extra curricula activities without the support of parents for transport. If you are a parent who will transport your child and others to various activities, could you drop in so we can get copies of your licence, car registration and comprehensive third-party insurance. This is to ensure Work, Health and Safety guidelines are met by the school.

Have a most fulfilling week,

*Katharine*

Katharine Sutherland, Principal
