Term 2, Week 5 Monday May 25th, 2020

## Orama Public School students, staff and community rise to challenges and take risks to overcome them.

### Now this does feel right!

A school is not a school without its students and finally after 7 weeks we were overjoyed to welcome our students back.

There have been some changes but everyone has remained resilient and adapted to this new normal.

Instead of seeing COVID-19 as an inconvenience, many of you have welcomed the opportunity to be your child's first teacher.

We have also welcomed the opportunity to embed great flexibility to ensure we continue to move forward.

All of us are stronger for what we have been through and we will continue to challenge your child to ensure they reach their potential.

Everyone's learning curve has been steep. Take the chance to congratulate yourself for the efforts and results during this time. Relax in the knowledge that we are right behind you ready to help in any way possible.

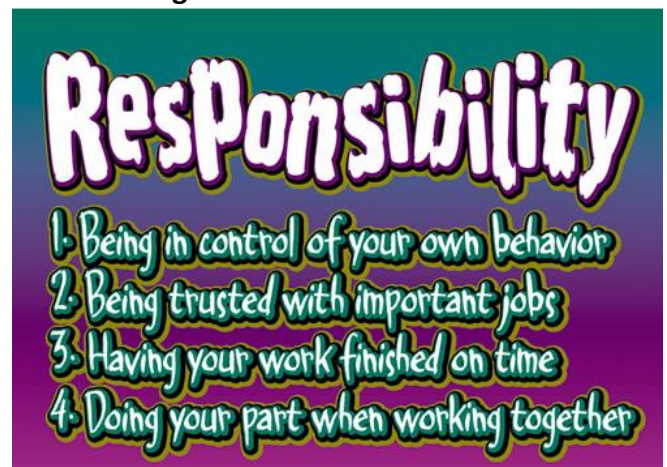

When we are able to invite visitors into the school, we will throw the doors open! We are proud of everyone's achievements through the COVID-19 era and we are looking forward to celebrating these.

Have a great week,

*Katharine*
