Term 1, Week 9 Monday March 23rd, 2020

Our staff are flexible and reflective in their approaches. Their priority is and will always be positive student outcomes.

Harmony Day

What a great treat Friday was! The sampling of dips from other cultures and the conversations around the flavours and textures were very interesting.

Earlier in the week students completed activities on what Harmony Day meant to them and how their identity is shaped.

Learning Space Two Science and Geography

I am delighted to take any opportunity to watch the amazing teaching of Leah Anforth. The opportunities she gives her students is engaging, flexible and motivating. Combined with the skills of Benn Wolhuter, the learning sequence the students have just been a part of was amazing. I continue to tell the students just how fortunate they are to have these types of learning experiences.

COVID-19 (Coronavirus) Information

The situation around COVID-19 continues to change by the day. On Friday when I originally wrote the newsletter the message was business as usual. As of 2pm today I received some clarity. In emails will be a note explaining the learning

programs and attendance expectations for students. Leah has busily set up a Google Classroom for LS2 and I have created a booklet for LS1 students to work out of. In this rapidly changing situation I encourage you to check in on friends and family. Staff will still be at school so we are contactable during school hours. I also encourage you to visit <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-from-home> for additional information and tips.

NAPLAN

I received word on Friday that the NAPLAN tests for 2020 have been cancelled. The decision around the cancellation is based on allowing schools to focus on the wellbeing of students and continuity of education.

Book Fair

Our Book Fair officially finishes on Friday, however we will pack it up on Thursday. If your child missed out on something- please let us know.

Have a wonderful week,

Katharine

Katharine Sutherland, Principal

This fortnight’s school value: DIVERSITY
