Term 4, Week 8 Thursday November 25th, 2021

Orama Public School develops relationships to empower everyone to do their best.

Local Flooding

What a pouring we received on Monday and how quickly conditions will change. Rest assured we always have the safety and wellbeing of all students in mind during emergency situations.

Thank you for replying to the message on Tuesday morning. When floods occur, the staff (who can travel safely) report to another local school. Our flood plan can be found at:

LS1 Friend Ships

LS1 Students are continuing to complete their Life Education lessons. On Monday students wrote to other students telling them ways they help to make our classroom friendly. Phrases used were things like:

- they share their pencils with me;
- they help me learn my words; and,
- they checked on me when I fell over.

This was a wonderful experience for the students. We finished the activity by reflecting on the types of friends we have at school.

Tell Them From Me Survey

Friday is the last opportunity for parents and community members to participate in the Tell Them From Me survey. The survey asks questions about different factors that are known to impact student wellbeing and engagement. This valuable feedback will help our school make practical improvements. Parents can complete the survey at
