Term 1, Week 4 Thursday February 18th, 2021

Our Teachers are committed to nurturing and inspiring your children

Presentation Day and School Leaders Induction

We were so pleased to be able to celebrate our students' 2020 success on Thursday 11th February. This was a little later than planned due to the floods at the end of last year, but better late than never. Congratulations to our 2021 school leaders. Parents presented their child's leadership badge to show the place that parents have as their child's first teacher and leader. Thank you to Toni Usher who attended on behalf of Bellingen High School and thank you to the parents who were able to share this event with us, it was great to see you again!

Swimming Carnival

The report back from the swimming carnival was that it was a great day. Mrs Sutherland said the students all represented themselves and our school with pride. Congratulations to all the students who participated. Three of our students will represent our school at the district carnival this Friday at Macksville- Good luck to Mitchel, Dylan and Kye.

Kids in the Kitchen

Learning space one students baked delicious banana and apple muffins on Tuesday for canteen. Any parents who would like to volunteer to participate in our canteen days each fortnight, please pick a date listed on the calendar in this newsletter and phone the school to let us know!

Music Tuition in 2021

Orama Public School is proud of its association with the Bellingen Youth Orchestra. The Orchestra has offered its alumni to us as music tutors for 2021. If you are interested please contact the school.

Mrs Sutherland will be back next week!

Have a great week!

Katie

Katie Keough-Daley,
Relieving Principal

Week 3 Awards

LS1 Responsibility Award: Tristan for showing responsibility when sharing 'the hut'!

LS1 Achievement Award: Tane for his high level of engagement in classroom activities.

LS2 Responsibility Award: Mitchel for modelling responsibility to younger students in the playground.

LS2 Achievement Award: Archie for deep thinking in Mathematical problem solving.
