Term 3, Week 2 Thursday July 22nd, 2021

Orama Public School shares learning progressions with their students to encourage goal setting and reflection.

School as Usual

Despite the Covid concerns in the Coffs Harbour area over the past week, school is operational as normal. If you do visit school, we ask you to complete a QR check-in at the front gate. If your phone does not have QR capabilities, you can physically sign in via the visitor's book.

Staff are attempting to maintain physical distancing from each other. There are times where we are wearing masks. We are asking other adults who visit the school to wear masks if they are not exempt.

We have created a plan, in the unlikely chance that there are local cases. If you'd like to see the plan, let me know.

Waste free Wednesdays

This Wednesday saw many more children attempting to be waste free. We will have another waste audit in a few weeks' time to see what impact the waste free day is having.

School Wellbeing Framework

We are excited to share that the rolling out of our updated Wellbeing Framework is progressing well. We have had the theme of courage this week. Asking the students to challenge themselves and set semester two goals has been rewarding to watch. We have some minor changes to continue to make and we will send a copy home for each family. We are looking forward to your feedback.

Excursion Raffle

This is your last week to buy a ticket in our excursion raffle. It will be drawn on Friday July 30th. Be quick before you miss out!

Katharine

Katharine Sutherland, Principal
