Term 3, Week 7 Thursday August 26<sup>th</sup>, 2021

## Orama Public School has positive social and emotional classroom climates.

### Our heartfelt thanks

We are very grateful to all students and families for the support we have had over the past two weeks. **As of the 11am press conference this morning, the current restrictions have been extended until Friday September 10<sup>th</sup>.**

Our staff continue to implement their teaching and learning programs via the Learning from Home packages. Everything you see in the packages is based on the content and concepts that teachers had planned to implement face-to-face with your child. Of course, it isn't the exact way we teach but it is what we teach.

Thank you for also being available when staff call you. These calls are a simple check to ensure things are okay for your child. Most of our staff members are working from home in some capacity. They are also trying to implement Learning from Home with their own children!

Continue to engage in our Facebook page <https://www.facebook.com/oramaps> There are videos on there to help with the Learning from Home process.

Continue to send in those photos of Learning from Home! We want to create a huge collage of our flexible learners!

On another front, our **School Wellbeing Framework** is ready to be officially published. Thank you for the feedback and kind words. It has been a pleasure to create a document that reflects our whole school community. Keep an eye on the website where it will be published.

Take the opportunity to enjoy the beautiful weather!

*Katharine*

Katharine Sutherland, Principal
