Term 3, Week 10 Thursday September 16th, 2021

Orama Public School ensures every student, every teacher and our school improves every year.

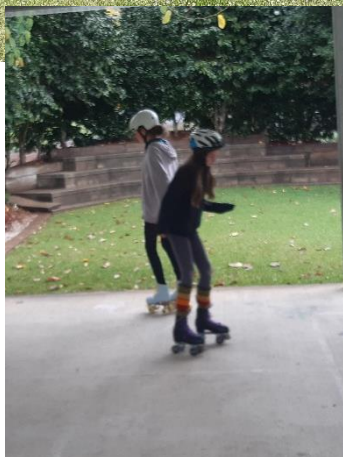

A school is not a school without students!

It has been amazing to see the students return after the four weeks of Learning at Home. There were many things we underestimated about the students' return but what is certain is just how much they missed each other!

Bike week has been a great way to welcome students back. Bike week has enabled students to challenge themselves with riding over the tunnel, riding with or without their training wheels and some students even trialling their roller skates.

Challenging students in the classroom has not been our priority this week. Next term will see us returning to our routines and high teaching and learning expectations.

NAPLAN results

If your child sat the NAPLAN assessments earlier in the year, you will receive the results today. If there is anything in the results that you'd like further information on, please contact us at school.

Tell Them From Me Survey

When we return in term 4, students, staff and parents will be asked to participate in the Tell Them From Me survey. The survey asks questions about different factors that are known to impact on student wellbeing and engagement. This valuable feedback will help our school make practical improvements.

A link to the survey will be emailed and texted to you once we begin the new term.

Canberra Excursion

Unfortunately, cancelling of the 2021 Canberra excursion has been needed due to excursion restrictions. A booking has been made for November 2022. Year 6 students will receive information for families early next term on how to obtain a refund. For other students, we recommend rolling any funds paid into a 'Fees in Advance' arrangement which essentially means a credit. If you'd like to discuss this further, call the school and speak to either myself or Melissa.

Please take any opportunity you can over the next two weeks to celebrate your amazing children and to congratulate yourselves for the amazing term.

With sincere gratitude,

Katharine

Katharine Sutherland, Principal

Share our Space

During the next holiday break, we will be opening our school playground to the Share Our Space initiative. This means that members of the community are welcome to come and use our playground during the holidays. If there are any security concerns please call 1300 880 021

What's on at Orama Public School Term 3, 2021

Week 10	
Fri Sept 17 th	Last Day term 3
