Term 3, Week 5 Thursday August 12th, 2021

Our wellbeing practices foster a sense of belonging, value student voice and promote engagement in learning.

Wellbeing Framework

Last Friday, via email, you received a copy of our draft Wellbeing Framework. The student leaders and staff have collaborated on ensuring this is a framework that reflects current research and our own needs. We'd now like feedback from parents and the community. Ideas can be emailed or phoned in and received my August 20th so we can remain on track with our implementation. If you would prefer a printed copy, please let us know.

National Consistent Collection of Data on School Students with a Disability

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools

- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Student absences

Please ensure you call or email regarding your child's absence. During term 2, 49% of student absences were unexplained. You will start receiving written notes asking you to explain absences. These are to be returned within five school days.

Second Hand Clothing

Please consider donating any second-hand school uniform pieces to the school. We have plenty size 4 and 6 but no other sizes.

Katharine

Katharine Sutherland, Principal

Suggested Excursion Budgeting Canberra Nov 29th to Dec 3rd

Payments to be complete by Nov 19th.
