Swimming and Water Safety Program

Our swimming and water safety program begins on Monday. If you have not already, please return permission and payment via the **parent portal of School Bytes** or the additional note sent home. We swim between **9:15am and 10:15am. Students are to meet Orama staff at Bellingen pool by 9:00am.**

Choir – We enjoyed a very special afternoon tea with Liz Scott to thank her for her contribution to our school choir and Sydney trip this year. We are so grateful for this expertise and look forward to seeing Liz back again as our Lunch Maker expert for composting workshops and more! Thank you, Liz!

Bowraville Memorial Cup – What a fantastic day we had at the Bowraville Memorial Cup! Opening with a respectful Welcome to Country by Gumbaynggirr man Ricky Buchanan, students then proceeded to enjoy the many opportunities on offer. Basketball, netball, scavenger hunts, face-painting and other competitions including fishing and plant IDs. We are extremely grateful for the open invitation and look forward to this day again next year. Well done, Jaanyмили Bawrrungga Inc!

Attendance - The simplest way to explain your child's absence from school will be through the Parent Portal of School Bytes. If not using the portal, please respond to the SMS with either a phone call or email so we can make sure all records are up to date.

THE P&C WOULD LIKE TO THANK...

Everyone for their support in fundraising.

We were able to raise \$1064 through the participation of our school community.

Well done, Orama!

The Lunch Makers

We have begun our learning journey with The Lunch Makers program and look forward to discovering how we can reduce our waste over the coming weeks.

We have experts planned to workshop lessons with students and can access more garden composting equipment through the program.

Love food and hate waste – it's win, win!

A balanced lunchbox!
