Term 4 Week 6 Newsletter

Giinagay,

Swimming and Water Safety Program

Our young swimmers are off to a fantastic start in the pool! Our staff have been very impressed with the positive attitude of students in their lessons. We're confident every student will be more competent in the water after these couple of weeks in the pool.

Academic Reports and Attendance

We are looking forward to celebrating the strong attendance and achievement of our students. Students will receive their end of term school report, as well as their attendance report, early in Week 10.

School Values

Students strive towards a consistent demonstration of our school values – **Kind, Caring, Courageous** – every day. We are so proud of our students who are then able to replicate these behaviours when representing our school.

Lunch Makers Workshop

Next week we welcome our Lunch Maker facilitator who will be showing us how to use our recently gifted Subpod composting system. This area of learning has been engaging for our students and is endlessly interesting!

Bellingen Riverwatch

Testing was able to go ahead yesterday with six of our students from Year 4 and 5. Our expert volunteer was so impressed by the attention to detail and interest that the students showed in this opportunity and is very much looking forward to working with them again for next month's testing. Thanks to our wonderful SLSO Robyn for her involvement and knowledge and of course to Helen, our dedicated volunteer from OzGreen's Bellingen Riverwatch program.

Darrundang (Thank you)

Luke Stanley

Relieving Principal

Orama Public School 2023
