Term 4 Week 9 Newsletter

Giinagay,

Presentation Evening

As has happened in previous years, we would like to invite all students and families to our end of year presentation evening on Thursday 14th Dec at 5pm here at school. This is an opportunity to recognise the incredible achievements of our students throughout the year. To bring everyone together, we are hopeful that some families may like to bring in a small plate of food to share.

Academic Reports and Attendance

We are looking forward to celebrating the strong attendance and achievement of our students. Students will receive their end of semester school report, as well as their attendance report, early in Week 10.

Orama Talent Quest

It has been great to see students organising and practising their performances for the talent quest in the playground. We hope that this opportunity gives those students who love to perform a receptive and excitable audience. Students are asked to share a talent of theirs in front of the school – musical, dance, magic, comic or other. We are enjoying auditions this week and look forward to performances next week.

Orama Public School 2023

IMPORTANT DATES

Dec

8 th	Kinder Orientation 5
12 th	Orama Talent Quest

It's time to showcase those special talents and skills!

**Tuesday 12:00pm
Week 10**

Auditions will be held in Week 9

*Top 3 acts will receive a prize
All acts will receive a certificate*

Australian Children Screen Time Findings... Did you know??

A majority of Australian children are spending more than the recommended two-hour daily limit for screen time (watching television, on computers and playing electronic games). At 4–5 years old, children average more than two hours screen time per week-day. By 12–13 years old, this increases to more than three hours average per week-day and almost four hours per weekend day. This means that up to 30% of a child's waking time is spent in front of a screen.

The study found that children who engage in physical activities that they enjoy, will tend to also spend less time in front of screens.
