Term 1, Week 8 Friday March 17, 2023

Orama Public School students learn by actively constructing knowledge through hands on lessons.

Week 8 News!!

A huge thank you to all the parents that could make our first P&C meeting last week. It was a wonderful afternoon planning some exciting fundraising events to support our school. The next meeting is on Thursday 4th May. Be sure to save this date in your calendars!!

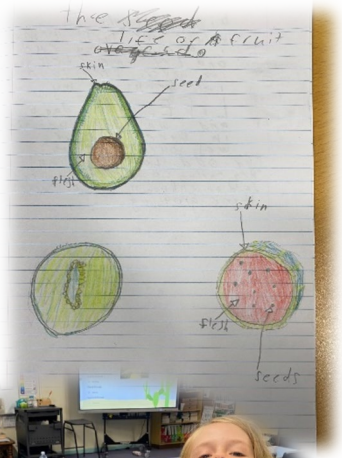
This week our Year 3 and Year 5 students started NAPLAN. We will be completing this next week. I am very proud of how each student has taken their time and tried their best.

Can I please ask that when you are coming onsite that you come to the office and sign in on the school iPad. If the office is unattended, please see Miss Mulrooney in Learning Space 2 and I will be able to assist. This is a requirement form the Department and I appreciate your assistance with this.

Thank you to all parents for responding to SMS, leaving a phone message or emailing when your child is absent from school.

Learning Space 2

Throughout this term LS2 have been investigating plants and life cycles. They have used hands-on investigations such as growing alfalfa sprouts and dissecting flowers to explore the different parts of plants and the roles these parts play in a plants life cycle. LS2 has also had opportunities to make connections between the concepts they have been learning in the classroom and the plants they have in their playground by spending time outside drawing the different plants they can see and labeling the different parts of the plants.



Learning Space 1

Learning Space 1 enjoyed their hands on math lesson measuring length and area.

Attendance Matters

Week 7 Class Attendance – We are aiming for 90% or more!!

LS1	95%
LS2	85%

Learning Space 1. Your Week 7 attendance was outstanding!!!! Keep up the fantastic work.

Award Winners!!

Congratulations to all our award winners last week.

Darrundang (Thank you)
Mel Mulrooney - Relieving Principal
