Week 10 Newsletter

Giinagay,

UNE Discovery Day – Tomorrow is the big day! We're looking forward to hosting our UNE scientist facilitators, along with our friends from Repton and Raleigh Public Schools. A big thank you to the P&C for organising the lunch orders – a massive effort!

Attendance – Attached to this week's newsletter is your child's attendance report for Term 3. Regular attendance at school is hugely important for optimal learning and a sense of wellbeing. We know it can be harder on some days and appreciate that extra bit of effort required to help your child get ready for school. A big congratulations to those students in the Green Category 1!

Bike Week Term 4 Week 1 - During the first week of Term 4, we'll once again be holding our bike week program. Students are invited to bring their bikes and helmets to school to participate in a number of fun challenges that aim to increase their bike skills and safety awareness. Families are welcome to drop bikes in on the last weekend of the holidays if needed.

Dolphin Marine Conservation Park – An exciting day was had by all as students in Learning Space 1 went on an excursion to Dolphin Marine Conservation Park this week to complement their learning in science. Thank you to those parents who assisted with transport and to Miss KD and Miss Fletcher for organising the excursion. What a wonderful experience!

Greg Inglis NRL – Well done to Kye, Caelan and Leo for participating in the Greg Inglis Gala Day with their friends

from Repton PS. The boys played with enthusiasm and grit in multiple games throughout the day. We're proud to see our students represent Orama Public School so well.

Orama Awards

- Congratulations to our Giidany and Winda award recipients from today. These awards acknowledged a sustained commitment to our school values across multiple years.

Term Wrap – What a pleasure it has been to experience the term here at Orama Public School. I'd like to sincerely thank the staff and community for all the positive contributions you've made in the lives of our young people. We are looking forward to starting Term 4 and continuing each student's learning journey.

Darrundang (Thank you)
